The Iowa Department of Transportation will hold a public information meeting to discuss the proposed bridge replacements on Iowa 175 with box culverts. The bridges are located over Tank Pond Creek 0.3 mile west of Webster County Road P-33 and West Buttrick Creek 2.1 miles east of Webster County Road P-29.

## **Iowa 175 traffic will be detoured during construction using Webster County roads P-33 and D-60 and Baxter Avenue.**

The meeting will be conducted utilizing an open forum format. Iowa DOT staff will be present to informally discuss the proposed improvement. No formal presentation will be made.

The meeting space is accessible for persons with disabilities. However, if you require special accommodations at the meeting, please notify the Iowa DOT contact listed to the left by May 9.
