Index of Iowa, With Latest Official Census, and Shipping and Postal Guide

EXPLANATION OF INDEX.

Key numbers are in parenthesis, thus (D6).
County seats in capitals, thus AUDUBON.
Money Order Postoffices are shown thus ★.
Railroads and express offices shown by italic figures, thus *t*, *17*.
Telegraph offices are shown thus ⊙.
The letter and numeral in parenthesis directly following the name of the town correspond to the letters and numerals on the margin of the map, to locate a given town trace a line between the given letter on opposite sides of the map and one between the given numeral on opposite sides of the map and at or near the junction of these lines will be found the town desired.
Italic figures following the key numbers indicate the railroad or railroads upon which the town is situated and also the express company going into the town.
