**CITY OF ONAWA**, 914 Diamond Street, Onawa, Iowa 51040

October 16, 2015

The City of Onawa is liquidating airport lighting equipment due to airport closure. Some of the equipment is in place along the 3,400 foot runway and will need to be removed at buyer's expense under the supervision of City staff. The City is willing to sell individual items, but preference is given to a fair offer for all items. Further preference given to a public owned and operated airport. All offers received are being accepted through 4:00 p.m. on Thursday, December 3, 2015 and will be reviewed before City Council at 7:00 p.m. on Tuesday, December 8, 2015. To receive a total list of the items contact City Administrator Bradley Hanson 712.433.1181 or [onawaca@longlines.com](mailto:onawaca@longlines.com). The items that are available include lighting control boxes, runway light bulbs, blue light bulb covers, blue/red light bulb covers, clear lightbulb covers, runway light poles, PAPI aiming tool, OSRAM PAPI light, gaskets, couplings, power tail, and storage shed.

THE TOTAL NUMBER OF USED ITEMS AND/OR STILL ALONG RUNWAY ARE:

- 1 L821 Control Panel
- 1 L854 radio controller remote antennae
- 1 L828 constant current regulator
- 4 L849 REILs (at the ends of the runway)
- 4 L881A PAPIs with all kits
- 1 PAPI aiming tool
- 2 lighted windsocks
- 4 Control Boxes (along runway)
- 20 Blue covered lights including lightbulb (along runway)
- 16 Blue/Red covered lights including lightbulb (along ends of runway)
- 33 Clear covered lights including lightbulb (along runway)
- 73 Poles for the lights (along runway)
- 4 PAPI (glide slope) lighting system (along the sides of runway)
- 1 6' (W) by 6' (L) (36 sq. ft.) by 7' 6" (H) (high efficiency building with accessories)
- 47 Non-lighted blue and yellow stripped taxiway markers (along the sides of taxiways – old runway)
- 14 Non-lighted blue and white stripped taxiway markers (along the sides of taxiway towards new apron)

THE FOLLOWING ITEMS HAVE NEVER BEEN USED AND ARE LIKE NEW:

- 2 light assemblies
- 1 clear cover for runway light
- 2 blue cover for runway light
- 2 blue/red cover for runway light
- 3 couplings
- 1 OSRAM PAPI light
- Several top gaskets
- 1 power tail
- 1 reil bulb
- 15 running light bulbs
