The information needed to bid on an Iowa DOT Highway Project Proposal/Bid Order with Railroad Involvement will require the use of Iowa DOT Contract Documents and the Federal Railroad Administration (FRA) Crossing Database Website.

The Iowa Department of Transportation is providing information on how to obtain your railroad crossing information without a railroad datasheet. The Federal Railroad Administration (FRA) maintains a database of all crossing information reported directly from the Railroads. This database is publically accessible through a website and as applications in both Google Play and Apple iTunes Stores. The Rail Transportation office seeks to assist bidders with the tools needed to obtain the railroad crossing data needed to make informed decisions in the bidding process.

Join this webinar to learn details on how to obtain your railroad crossing information, updates to Plan Sheets and Specification documents and what additional information can be obtained in your Specification Documents. There will also be an opportunity for Q & A after the formal presentation.

Federal and state laws prohibit employment and/or public accommodation discrimination on the basis of age, color, creed, disability, gender identity, national origin, pregnancy, race, religion, sex, sexual orientation or veteran's status. If you believe you have been discriminated against, please contact the Iowa Civil Rights Commission at 800-457-4416 or Iowa Department of Transportation's affirmative action officer at 800-262-0003.

If you need accommodations because of a disability to the Iowa Department of Transportation's services, including the webinar being offered, contact Maria Hobbs at 515-239-1088 or [maria.hobbs@dot.iowa.gov](mailto:maria.hobbs@dot.iowa.gov) at least two business days prior to the scheduled date/time.

After registering, you will receive a confirmation email containing information about joining the webinar.
