
110-14 Sanitary or Storm Sewer Abandonment or Removal

(This section last updated 05-08-13)

Refer to Standard Specifications Section [2503](#) for Storm Sewer and [2504](#) for Sanitary Sewer.

The following applies to both Sanitary and Storm Sewer selections:

1. Calculate Length of Pipe if using **Abandonment, Plug and Fill** or **Removal**. Do not calculate Length of Pipe if using **Abandonment, Plug Only**.
2. Calculate Fill Material if using **Abandonment, Plug Only** or **Abandonment, Plug and Fill**. Do not calculate Fill Material if using **Removal**.
