

Designer Information for Standard Road Plans

Design Manual
Chapter 1
General Information

Originally Issued: 02-12-08
Revised: 07-24-09

This section provides guidance for applying specific Standard Road Plans to a project. This information is not a part of the construction contract and is not readily available to contractors. If any of this information needs to be conveyed to contractors, the designer should include it in the plan or request a revision to the Standard Road Plan.
