## **RELEASE AGENTS FOR BITUMINOUS MATERIALS**

### **SCOPE**

Release agents used to prevent bituminous materials from adhering to interior surfaces of truck bodies shall meet the requirements of applicable Iowa Department of Transportation Specifications.

### **ACCEPTANCE**

Acceptance of release agents for use on Iowa Department of Transportation projects is based on manufacturer and brand name approval. Approved manufacturers and brand names are listed in [Appendix A](#).

### **MANUFACTURER & BRAND NAME APPROVAL**

Manufacturer shall provide product information and a copy of product evaluation report issued by the National Transportation Product Evaluation Program (NTPEP) to the Office of Materials in Ames, Iowa. Product approval is based on a satisfactory evaluation of the NTPEP test report.

### **MONITOR SAMPLING & TESTING**

The Office of Materials may sample and test release agents to verify compliance with specifications.
