Article 1108.01 of the Standard Specifications requires the contractor to submit "Subcontract Request Form" to the Office of Contracts with the signed contract. Any additional subcontractor requests or changes after the contract has been signed should be submitted to the Project Engineer. This form is only used to request authorizations for a subcontractor performing new items added to the contract. All other requests must be submitted electronically using the .con file produced by the SiteXchange software.
