
**INSPECTION AND ACCEPTANCE OF
REBOUNDABLE, NON-METALLIC, 42-INCH CHANNELIZERS**

******THIS IS A NEW IM – PLEASE READ CAREFULLY******

GENERAL

Reboundable, non-metallic, 42-inch channelizers intended to provide temporary traffic channelizing shall meet the requirements of Iowa Department of Transportation Specification [Article 4188.04](#).

ACCEPTANCE

Acceptance of reboundable, non-metallic, 42-inch channelizers will be based on satisfactory test results of a preliminary sample furnished to the Iowa Department of Transportation, Office of Materials, Ames, Iowa, and the manufacturer certification statement of specification compliance. A list of approved manufactured 42-inch channelizers based on preliminary sample results and certification documentation will be developed and maintained by the Office of Materials. This list appears in [Appendix A](#).

CERTIFICATION

The manufacturer shall provide the Office of Materials the following statement of certification:

Certification Statement

This is to certify that (~~manufacturer name, product number~~) reboundable, non-metallic, 42-inch channelizer meets the requirements of the applicable Specification of the Iowa Department of Transportation.

Authorized Date and Signature

A responsible company representative shall sign the certification statement.
