| <u>FABRICATOR</u>      | <u>LOCATION</u> | <u>ITEM AUTHORIZED<br/>(SEE SHEET 2)</u> |
|------------------------|-----------------|--|
| Tobi Engineering       | Glenview, IL    | 6, 12, 13, 14, 18                        |
| White Oak Metals, Inc. | Dalton, MN      | 2, 3, 4, 5, 7, 8, 15, 21                 |
| Woerner Wire Works     | Omaha, NE       | 2, 3, 4, 5, 6, 7, 8, 12, 15, 21          |

**NOTE:** For approved sources of anchor bolts consult [IM 453.08](#).

**ITEMS AUTHORIZED FOR FABRICATION**  
**BRIDGE COMPONENTS & MISCELLANEOUS ITEMS**

1. Expansion Joint Devices - Extrusions
2. Pipe Bridge Drainage System – With Hardware
3. Metal Railing – Steel
4. Metal Railing – Steel / Aluminum
5. Metal Railing – Steel / Aluminum / Stainless Steel
6. Covered Plates
7. Welded Wire Bridge Fence Panels
8. Cross Frames / Diaphragms
9. Finger Joint Devices (includes Reinforced Neoprene Trough\*, Curtain, and Hardware)
10. Thread Plates
11. Pintle Plates
12. Sole Plates
13. Curved Sole Plates
14. Masonry Plates
15. Bridge Floor Drains
16. Self-Lubricating Bronze Plates
17. Disc Bearings
18. Pot Bearing Assemblies
19. Bearing Assemblies – Castings
20. Steel Laminated Elastomeric Bearing Pads (Please see [IM 495.03](#))
21. Walkway Inspection (River Crossing Bridges)

\*Please refer to [IM 494 Appendix A](#) for approved sources of Elastomeric Drainage Troughs.
