**Subject:** Iowa DOT Job Openings - Sr. Engineering Technicians

**TO:** County Engineers, City Representatives, and Consultants  
Tammi Bell Iowa DOT - Local Systems tammi.bell@dot.iowa.gov

**CC:** District Local Systems Engineers, Service Bureau  
and Office of Local Systems

**FROM:** Office of Local Systems

**SUBJECT:** Iowa Department of Transportation Job Openings – Senior  
Engineering Technician

**DATE:** February 29, 2008

District 5 in Fairfield Iowa Office has openings for two Senior Engineering Technician positions.

One position will be under the direct supervision of the District 5 Construction Engineer with primary responsibilities focused around post letting project administration for both local jurisdiction and primary road projects.

The other position will be under the direct supervision of the District 5 Assistant District Engineer with general day to day guidance provided by the District Local Systems Engineer. The focus of this position is primarily pre-letting project development activity supporting the local jurisdictions in this district.

Both positions are pay grade 29 with a salary range of \$43,076.80 to \$65,540.80 annually.

Job descriptions and minimum qualifications may be found through the State of Iowa Department of Administrative Services website at [http://das.hre.iowa.gov/state\\_jobs.html](http://das.hre.iowa.gov/state_jobs.html)

Anyone interested can contact either Pete Tollenaere or Fred Bartos at 641-4724171. Applications for the positions should be filled out on line through the Iowa Department of Administrative Services web site.
