SUBJECT: Revised Local Systems Web Site

DATE: November 18, 2008

The Office of Local Systems web pages have been significantly revised and updated as part of the Iowa DOT's overall web site redesign. We hope these changes will make it easier to find the information you need. Please take a moment to check out our new site at:

http://www.iowadot.gov/local_systems/index.htm

The primary changes include the new graphical design and improved navigation system. Most of the content from our old web site has been retained. However, some of this content was rearranged; in particular, the information under the "Publications" menu item.

If you have any questions or comments about our new site, **please do not reply to this e-mail**. Instead, you may contact me at the phone or e-mail shown below.

Sincerely,

M.J. "Charlie" Purcell
Deputy Director, Office of Local Systems
Iowa Department of Transportation
