To Office: County Engineers Date: October 22, 2008  
From: LeRoy H. Bergmann, P.E. Ref. No.: 802  
Office: Local Systems  
Subject: Additional County Bridge Construction Fund

This is to inform you that we have selected six bridges, Warren County 91 priority points, Fayette County 90 priority points, Lee County 88 priority points, Marshall County 87 priority points, Woodbury County 84 priority points, and Lyon County 90 priority points.

We have informed the counties of their selected bridge and they have accepted the offer of funds for their bridge. Although a number of bridges qualified for this program, the fund's limited resources dictated the selection of only six bridges for this program.

Thank you for your cooperation. If you have any questions, please contact me at 515-239-1506 or Tom Valline at 515-239-1064.
