SUBJECT: Winnebago County Engineer Job Opening

DATE: October 1, 2008

Winnebago County, located in Forest City, Iowa, in North Central Iowa, is seeking qualified applicants for the position of County Engineer. Requires bachelor's degree in civil engineering; possession of or capability of acquiring licensure as a Professional Engineer from the State of Iowa within six months of employment. Five years progressive experience in the transportation industry including supervisory or managerial experience preferred, but not required. Work experience with county drainage districts is strongly preferred, but not required.

The County Engineer is directly responsible for planning, organizing, and managing the design, construction, and maintenance of the secondary roads and bridges. The County Engineer is also directly responsible for managing the budget and the supervision of 23 full-time employees. Excellent benefits with salary commensurate with qualifications and experience.

Please submit cover letter with resume to: Winnebago County Board of Supervisors, 126 North Clark Street, Forest City, Iowa, 50436. Applications will be accepted until the position is filled. Winnebago County is an Equal Opportunity Employer.

Please do not hit the reply option in your e-mail note.

Thank you,

Gail Nordholm
