and Office of Local Systems

FROM: Office of Local Systems

SUBJECT: Fall Seeding Extension

DATE: September 25, 2008

Since the National Weather Service is calling for above average temperatures and normal precipitation for the 30-90 day outlook, the Fall seeding date for cool season species seeding (Seeding and Fertilizing (Rural) and Seeding and Fertilizing (Urban)) has been extended until October 10, 2008. The Stabilizing Crop Seeding and Fertilizing can be accomplished until October 17, 2008. If any seeding is accomplished to finish a project after these dates, it is up to the discretion of the engineer in charge of the project. If you have any questions, please contact Ole Skaar Jr., the Agronomist in the Office of Roadside Development. Ole can be reached by phone at 515-239-1425 or by e-mail at Ole.SkaarJr@dot.iowa.gov

Please do not hit the reply option in your e-mail note.

Thanks,

Brenda Boell
