Subject: Rock Salt

Please forward this document to the person that orders the above listed commodities.

The Iowa Department of Transportation will be soliciting bids for Rock Salt for fiscal year 2010 (July 1, - June 30). The projected letting date is **May 13, 2009**.

Please provide your salt quantities for FY2010. Contract terms will include an 80% - 120% clause for salt purchase requirements. This obligates the customer, (Political Subdivision) to purchase 80% of the contracted tonnage for each twelve-month period and obligates the vendor to supply up to 120% of the estimated tonnage.

The Iowa Department of Transportation Office of Procurement and Distribution, Purchasing Section will be sending the final bid tabulation to all political subdivisions that submit quantities. Vendor contract information will be provided with the bid tabulation. Political Subdivisions shall order directly from the awarded vendor.

Political Subdivisions have the option to contract directly with salt vendors if they so choose. The Iowa DOT accepts no responsibility for any contract negotiations agreed upon by a Political Subdivision and a salt vendor.

Return requested salt quantity information by fax or e-mail to:
