SUBJECT: District Spring Meetings

DATE: March 10, 2009

On February 17, 2009, I sent a note regarding the upcoming Federal-aid Overview Seminars. In that note, I also mentioned that other training opportunities would be made available for Local Public Agency (LPA) and consultant staff involved with LPA Federal-aid transportation projects.

One of those opportunities are the District Spring Meetings. These meetings are designed to compliment the Federal-aid Overview Seminars by providing more specific training on selected topics. You do not have to attend both a Spring Meeting and an Overview Seminar this year. If a Spring Meeting is being held in your district this year, you should attend the Spring Meeting.

This year, District Spring Meetings will be held in the following districts at the times and places noted below. There is no cost or pre-registration required for any of these meetings.
