FROM: Office of Local Systems

SUBJECT: Introduction to PCC Paving Inspection

DATE: May 7, 2009

The following is being sent on behalf of Chris Anderson with Iowa DOT. If you have any questions, **please do not reply to this note**. Instead, you may contact the person shown below.

There is new web based training available on the training website, <http://www.iowadot.gov/training/index.html>. This course is Introduction to PCC Paving Inspection. It is an excellent resource for anyone that is new to inspection of a PCC paving project or a technician that has done inspection but would like a refresher. Other new courses that will be available before long are Introduction to HMA Paving Inspection, Guides for using the new HMA plant report and QC charting software, and others. Be sure to check the website for this new course and the other courses that are already available.

Be sure to pass this along to anyone that may be interested.

For questions or problems with the site, please contact Chris Anderson at christie.anderson@dot.iowa.gov or 515-239-1819.

Some of the documents referenced above are in Adobe Acrobat's Portable Document Format (PDF). If you do not have the Adobe Acrobat Reader software, you can download it free of charge at: <http://www.adobe.com/products/acrobat/readstep.html>.
