and Office of Local Systems

FROM: Office of Local Systems

SUBJECT: Fall Seeding Extension

DATE: October 1, 2009

The following is being sent on behalf of Ole Skaar, Jr., the Agronomist in the Office of Roadside Development. If you have any questions, **please do not reply to this note**. Instead, you may contact Ole Skaar, Jr. at 515-239-1425 or by e-mail at Ole.SkaarJr@dot.iowa.gov

Since the National Weather Service is calling for above average temperatures and normal precipitation for the 30-90 day outlook, the Fall seeding date for cool season species seeding (Seeding and Fertilizing (Rural) and Seeding and Fertilizing (Urban)) has been extended until October 10, 2009. The Stabilizing Crop Seeding and Fertilizing can be accomplished until October 17, 2009. If any seeding is accomplished to finish a project after these dates, it is up to the discretion of the engineer in charge of the project.

Thanks,

Brenda Boell
Office of Local Systems
Iowa Department of Transportation
