The Office of Bridges and Structures coordinated with the National Highway Institute to schedule a bridge inspection refresher training course (FHWA-NHI-130053) in Ames, Iowa from January 11-13, 2011. The class for this refresher training course was filled to capacity and there were applicants that were put on a waiting list.

Currently there are 14 individuals on the waiting list to attend a bridge inspection refresher training course. The Office of Bridges and Structures will schedule a second bridge inspection refresher course with a minimum of 20 individuals interested in attending the training. Anyone interested that is not currently on the waiting list should contact **Judy Whitney in the Office of Bridges and Structures at 515-233-7917**.

Sincerely,

Eric Souhrada, P.E.
