SUBJECT: Map Orders from the Iowa Department of Transportation

DATE: December 13, 2010

In the past our office has sent an email every other year for locals to order maps. For example, the counties would let us know how many 1/2" and/or 1/4" maps they wanted and these would be printed and sent out with a billing. Recently, a change in policy was made that prohibits us from billing private individuals or organizations for these items. Under the new policy, payment must be received before orders can be filled.

Therefore, a new website has been implemented to order maps. The link below has information about the various maps and how to order them. Most of the maps can be ordered using a pdf order form that is filled out and returned to the Office of Finance.
