With a busy construction season in full swing, including many state road closures and detours expected to last through the fall, the Iowa Department of Transportation (DOT) invites your organization to subscribe to Iowa DOT news releases related to construction projects in your local area.

To get the latest updates on road closures and other valuable information on transportation issues, log on to <http://www.news.iowadot.gov>. To get these news releases directly to your inbox, subscribe at <http://www.graphicmail.com/rwcode/subscribe.aspx?SiteID=25681&Mode=subscribe>

This information is also available 24/7 at www.511ia.org.

Thank you for consideration.
