To All;

The link below contains a copy of the Structures Award Nomination Form for projects that were constructed between November 2, 2008 and November 1, 2010. This nomination form is also being distributed to industry contractors, Local Systems Office, Office of Bridges & Structures, and design consultants. The nominations will be judged in January and the Structures Quality Awards will be presented at the Structures Workshop/AGC Days in March 2011.
