DATE: April 5, 2011

The HBP funds Status Report, current through the March 15, 2011 letting, is available on the Office of Local Systems web page at:

http://www.iowadot.gov/local_systems/publications/funding_info.html

Please review this information carefully and call me if you have questions about any of the amounts. Some of you have administered city bridge fund projects, and I've attempted to NOT include those in this tabulation. If you think the report includes a city bridge fund project and the project has affected your balance, please let us know.

If you have any questions, **please do not reply to this note**. Instead, you may contact the person shown below.
