**Improve your knowledge and skills at the click of a mouse!  
No need to get out in the cold, pay for gas or hotel rooms. Just, sit  
at a computer and take an interactive web based course.**

There are now a number of web based courses available that can be viewed when YOU have time and at YOUR pace. You simply need to go to the Training Website at:

**<http://www.iowadot.gov/training/index.html>**

Once at this site, click on Web Based Training Courses and follow instructions. **You will need to set up Learning Credentials to get a login and password to view the courses.** Once you have set up your Learning Credentials, you can view any and all of the web based courses as often as you like. This site contains some great courses, as well as reviews for a number of the certification courses. There is no charge for any of our web based courses.

If you are interested in learning more about the Technical Training and Certification courses, click on Technical Training and Certification Program from the main Training page link above.

**Courses now available:**

- Math
  - Ethics in Transportation
  - Basic Materials
  - Daily Diary (record keeping)
  - Basic Construction Survey
  - Plan Reading
