Subject: Emergency Relief (ER) Project Letting Date
Date: Monday, January 03, 2011 12:25:00 PM

TO: County Engineers, City Representatives, and Consultants

CC: District Local Systems Engineers, Service Bureau,
Office of Local Systems, and Bonnie Castillo

FROM: Office of Local Systems

SUBJECT: Emergency Relief (ER) Project Letting Date

DATE: January 3, 2011

The flooding events in Iowa during 2010 resulted in several Emergency Relief (ER) projects that are eligible for federal participation in the cost of restoring the road way to pre-flood conditions. As part of our request for ER funds, the DOT must provide a forecast to the Federal Highway Administration (FHWA) of when the 2010 ER projects will proceed to letting. This helps FHWA determine how much ER funds need to be made available for this fiscal year.

If your Local Agency has an Emergency Relief (ER) Project, but has not entered a letting date in TPMS, please do so by Wednesday, January 5, if possible. If a date cannot be entered by January 5, please contact Bonnie Castillo at the e-mail or phone number below, by the end of January 6. She will need to provide the best estimate of ER funds needed as we can to FHWA on Friday, January 7.

If you have any questions, **please do not reply to this note**. Instead, you may contact Bonnie Castillo at (515) 239-1678 or by e-mail at Bonnie.Castillo@dot.iowa.gov.

Thank you,

John Dostart, P.E.
Urban Engineer
