**TO:** County Engineers, City Representatives and Consultants

**CC:** District Local Systems Engineers, Service Bureau, Office of Local Systems, Eric Souhrada, Office of Bridges and Structures

**FROM:** Office of Local Systems

**SUBJECT:** Correction for District 3 SIIMS training location

**DATE:** May 25, 2011

On April 5, 2011, we sent a note regarding the upcoming training sessions for the Structure Inventory and Inspection Management System (SIIMS) software. The registration web page (<https://siims.iowadot.gov/RegForm.aspx>) incorrectly identified the location of the training in District 3 as the "District 3 Materials Conference Room". The correct location is the District 3 Large Conference Room at 2800 Gordon Drive, Sioux City, IA 51102.

We apologize for any confusion this may have caused. If you have any questions, **please do not reply to this note**. Instead, you may contact Eric Souhrada in the Office of Bridges and Structures 515-233-7720 or [eric.souhrada@dot.iowa.gov](mailto:eric.souhrada@dot.iowa.gov).

Thank you,

M.J. "Charlie" Purcell  
Director, Office of Local Systems  
Iowa Department of Transportation
