

**NOTICE:**  
**This Packet document has been replaced.**

The *In-House Engineering Guidelines*, formerly located in Index No. 2 of the Project Development Information Packet, is no longer in service. This Packet document has been replaced by I.M. 3.310, Federal-aid Participation in In-House Services.

The Project Development Information Packet is currently in the process of being phased-out. It is being replaced by two new documents, the Federal-aid Project Development Guide (Guide) and the Instructional Memorandums to Local Public Agencies (I.M.s). This redirect page will remain in place until all of the old Packet documents are phased-out. However, if you have a link or bookmark to the old Packet document, we recommend that you update it now.
