

## **NOTICE:**

### **This County Engineers Instructional Memorandum (I.M.) has been replaced.**

County Engineers I.M. 3.214, 3R Guidelines for Federal-aid Projects, is no longer in service. This County Engineers I.M. has been replaced by a new I.M. 3.214, 3R Guidelines.

[Click here to be redirected to the new I.M.](#)

The existing County Engineers I.M.s are currently in the process of being phased-out. They are being replaced by the new Instructional Memorandums to Local Public Agencies. This redirect page will remain in place until all of the County Engineers I.M.s are phased-out. However, if you have a link or bookmark to the old County Engineers I.M., we recommend that you update it now.
