

NOTICE:
**This Instructional Memorandum (I.M.) to Local Public Agencies
is under construction.**

I.M. 3.100, FHWA Environmental Concurrence Process, is not yet complete. The information that will be contained in this I.M. is currently located in the Project Development Information Packet, Index No. 6, *NEPA Project Classification Process*.

[Click here to be redirected to this document.](#)

The new Instructional Memorandums to Local Public Agencies, together with new Federal-aid Project Development Guide, are being developed to replace the existing Project Development Information Packet and the County Engineers I.M.s. This redirect page will remain in place until the new I.M. is complete.
