

NOTICE:
**This Instructional Memorandum (I.M.) to Local Public Agencies
is under construction.**

I.M. 3.410, Preliminary Bridge or Culvert Plans, is not yet complete. The information that will be contained in this I.M. is currently located in County Engineers I.M. 3.131, Design and Submittal of Preliminary Bridge and Culvert Plans.

[Click here to be redirected to this document.](#)

The new Instructional Memorandums to Local Public Agencies, together with new Federal-aid Project Development Guide, are being developed to replace the existing Project Development Information Packet and the County Engineers I.M.s. This redirect page will remain in place until the new I.M. is complete.
