

Iowa Driver Records

This publication is a general synopsis of records on the Iowa Department of Transportation's driver's license database. Because of continuous activities on the database (i.e., issuance of new licenses and IDs, expiration or sanctioning of driving privileges, receipt of new convictions from law enforcement agencies), numbers will vary on a daily basis. Therefore, the Office of Driver Services will update this publication approximately on a quarterly basis. It was last updated on June 5, 2007.
