

PUBLIC NOTICE IOWADOT

The Iowa DOT is requesting public input on the proposed bridge replacement on U.S. 18 over Haugh Creek, 0.4 mile west of the junction of U.S. 18 and Fayette County Road V-68.

The proposed project provides for replacing the existing bridge with a precast concrete arch culvert. The existing adjacent pavement, which was not resurfaced as part of a 2011 overlay project, would also be removed and replaced.

Through traffic on U.S. 18 would be detoured during construction using Chickasaw County roads V-56 and B-44 and Fayette County roads B-44 and V-68. The detour is expected to last approximately 30 days.

Comments and questions concerning the proposed bridge replacement project should be received by Nov. 24, 2014, and sent to:

Nick Humpal, district design engineer
Iowa DOT District 2 Office
1420 Fourth St. SE
Mason City, Iowa 50401
Phone: 641-423-7584 or 800-477-4368
Email: nickolas.humpal@dot.iowa.gov

More information will be posted as it becomes available at the Iowa DOT's website: www.iowadot.gov/ole/otherprojectinfo.html.
