

NOTICE OF RENEWAL OF HIGHWAY CORRIDOR PRESERVATION

County: Dubuque

Project Number: NHS-020-9(121)--19-31

Project Description: U.S. 20 in Dubuque County from the Peosta interchange to the Northwest Arterial intersection. (See corridor preservation map.) Width of the Corridor Preservation Zone varies depending upon location within the corridor.

TO WHOM IT MAY CONCERN:

The Iowa Department of Transportation (IA DOT) implemented corridor preservation for this project on March 21, 2000, and renewed the corridor preservation in January, 2003, 2006, 2009, and 2012. It is the intent of the Iowa DOT to continue to utilize corridor preservation for this project.

Notice is hereby given to all interested persons that, per Section 306.19(5) of the Code of Iowa, each city and county in which the above described corridor is located shall submit written notification to the Iowa Department of Transportation (IA DOT) of an application for a building permit for construction valued at \$25,000 or more, the submission of a subdivision plat, or a proposed zoning change within the area at least thirty (30) days prior to granting the proposed building permit, approving a subdivision plat, or changing zoning. Written notification shall include all pertinent information regarding the proposed permit, plat, or zoning change.

Section 306.19(5) also states that if the IA DOT, within the thirty-day period, notifies the city or county in writing that the IA DOT is proceeding to acquire all or part of the property or property rights affecting the area, the city or county shall not issue the building permit, approve the subdivision plat, or change the zoning. The IA DOT shall begin the process of acquiring property or property rights from affected persons within ten (10) days of the IA DOT's written notification of intent to the city or county. The IA DOT may apply for an extension of the thirty-day period. After a public hearing on the matter, the city or county may grant an additional 60 day extension of the period.

The city or county written notification shall be submitted to Sam Shea, District Planner, Iowa Department of Transportation, 5455 Kirkwood Blvd. SW, Cedar Rapids, IA 52404. For further information, contact Mr. Shea at the above address or by telephone at 319-364-0235 or 800-866-4368.

James P. Rost, Director
Office of Location and Environment
Iowa Department of Transportation
