

Public Input Requested

Proposed bridge replacement on Iowa 4 in Palo Alto County

The Iowa Department of Transportation is requesting public input on the proposed bridge replacement on Iowa 4 over drainage ditch 49, which is 5.2 miles north of the north junction with U.S. 18 in Palo Alto County.

The proposed project provides for replacement of the existing bridge with a twin 12-by-9-by-86-foot reinforced concrete box culvert.

Traffic would be maintained during construction. For more information, see the website listed below.

Comments must be received by Oct. 11, 2016, to be considered.
