December meetings are held Thursday afternoon following the County Engineers' Annual Conference.

The May meeting is usually the "traveling" meeting with the location to be decided by the Board.

There are not meetings in the months of March, August, or November.

*May meetings may be adjusted to avoid having them the Friday before Memorial Day. To allow for preparation time and to keep meetings spread out more evenly; this sometimes places two meetings in the month of June, or could adjust meeting dates of surrounding months to days that may not fall on the last Friday of the month.
