The 1st Annual Iowa Trails Summit

There's a world of experience coming to Iowa next summer. The 1st Annual Iowa Trails Summit in Cedar Falls/Waterloo, Iowa on Friday, June 18th and Saturday, June 19th. It will increase trail user groups' understanding of planning healthy communities, multi-use and shared trails, diversity and accessibility, trail development challenges and funding opportunities.

This conference builds on the success of the ongoing Federal Recreational Trail Grant Program, and the unique partnerships of a diverse group of trail organizations representing motorized and non-motorized users. This conference will take a proactive and constructive approach, with emphasis on strategies, policies, and development opportunities vested in unique partnerships that have been effective in creating new trail opportunities.

Stay tuned for next month's update on some of the exciting guest speakers attending the conference and registration information!
