

PUBLIC NOTICE

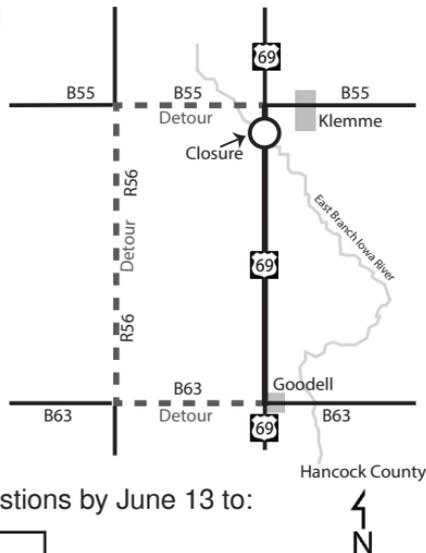

The Iowa DOT is requesting public input on the proposed bridge replacement on U.S. 69 over the East Branch Iowa River, 0.6 mile south of Hancock County Road B-55.

The project provides for replacing the existing bridge with a continuous concrete slab bridge that is 150 feet by 40 feet. Approximately 1,000 feet of roadway will be reconstructed to be 24 feet wide. The reconstructed roadway will have 8-foot wide shoulders. New bridge approaches will be constructed and existing guardrail will be replaced.

Through traffic on U.S. 69 will be detoured during construction using Hancock County roads B-63, R-56 and B-55. (See map at right.)

The Iowa DOT is soliciting your comments concerning the proposed bridge replacement project. Please direct your comments and questions by June 13 to:

Nick Humpal, district design engineer
Iowa DOT District 2 Office
1420 Fourth St. SE, Mason City, IA 50401
Phone: 641-423-7584 or 800-477-4368
