

PUBLIC NOTICE

The Iowa DOT is requesting public input on the proposed replacement of the bridge on Iowa 15 over Black Cat Creek, 2.9 miles south of Kossuth County Road A-42.

The proposed project provides for replacement of the bridge with a reinforced box culvert, removal of the bridge guardrail and handrail, and replacement of the bridge deck with a concrete patch.

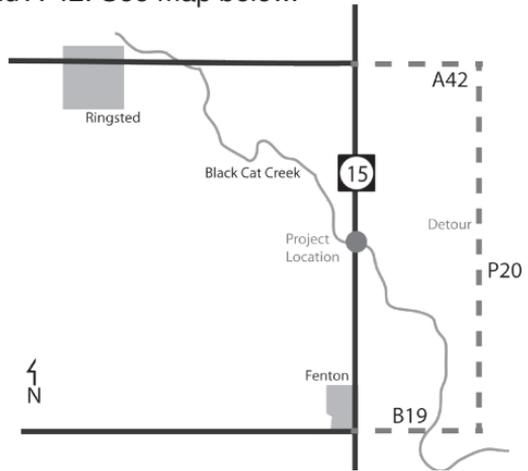

Traffic on Iowa 15 would be maintained during construction of the box culvert. However, traffic would be detoured during the bridge deck replacement using Kossuth County roads B-19, P-20 and A-42. See map below.

The Iowa DOT is soliciting your comments concerning the proposed bridge replacement. Please direct your comments and questions by July 26, 2012, to:
