

PUBLIC NOTICE

The Iowa DOT is requesting public input on the proposed replacement of the bridge on Iowa 152 over I-35 north of Osceola.

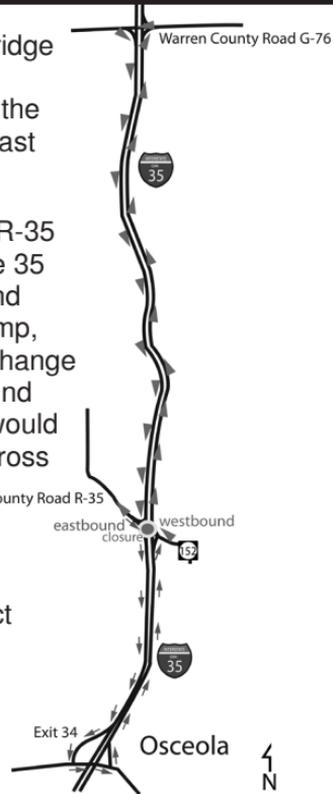

The project provides for replacement of the existing bridge with a 40-foot wide bridge; construction of new bridge approaches; guardrail replacement at the west end of the bridge; and resurfacing of the ramp terminals on the east side of the bridge.

Through traffic on Iowa 152 and Clarke County Road R-35 would be detoured during construction using Interstate 35 entrance and exit ramps at the interchange. Westbound Iowa 152 traffic would use the northbound I-35 exit ramp, proceed north to the Warren County Road G-76 interchange (exit 43), cross over I-35, and then return on southbound I-35 to the Iowa 152 exit. Eastbound Iowa 152 traffic would exit onto southbound I-35, continue south to exit 34, cross over I-35, and then return on northbound I-35 to the Iowa 152 exit. (See map to the right.)

The Iowa DOT is soliciting your comments concerning the proposed bridge replacement project. Please direct your comments and questions by July 17, 2012, to:

Greg Mulder, assistant district engineer
Iowa DOT District 5 Office
307 W. Briggs, P.O. Box 587, Fairfield, IA 52556
Phone: 641-472-4171 or 800-766-4368
Email: greg.mulder@dot.iowa.gov

More information will be posted as it becomes available at the Iowa DOT's website: www.iowadot.gov/pim.
