## GENERAL INFORMATION

This bid proposal includes the Bid Response cover page, Schedule of Prices, Standard Terms and Conditions, Supplemental terms (if any), specifications, mailing label and all other information needed to prepare a bid response. Information in the "Bid Response" above must be typed or completed in ink, signed, and returned in a flat style envelope along with any other information required in the bid proposal prior to the bid opening date and time. Please use the furnished mailing label, or label the bid response as "Iowa Department of Transportation, proposal number & letting date" on the outside of the return envelope. Bidders may personally deliver, mail, or select a carrier that ensures timely delivery. **Faxed or e-mail bids will not be accepted.**

If required, each bid response must be accompanied by a proposal guaranty in an accepted form, in the sum indicated above. Refer to the Standard Terms and Conditions for the accepted forms in which the proposal guaranty requirement may be fulfilled. **Bids lacking a required proposal guaranty will not be considered for award.** If the intended awarded bidder fails to enter into a formal contract within fifteen (15) days after award is made for any reason on their part, the proposal guaranty may be retained by the State.

## PROPOSAL STATEMENT

The entire contents of this Proposal, Addendums to the Proposal, Specifications, Supplemental Terms and Conditions, Standard Terms and Conditions, and Schedule of Prices shall become part of the contract.

We promise to furnish all materials, equipment and/or services specified, in the manner and the time prescribed, at prices hereinafter set out.

We certify that we have not, either directly or indirectly, entered into any agreement or participated in any collusion or otherwise taken any action in restraint of free competition; that no attempt has been made to induce any other person or firm to submit or not to submit a bid; that this bid has been independently arrived at without collusion with any other bidder, competitor, or potential competitor; and that this bid has not been knowingly disclosed prior to the opening of bids to any other bidder or competitor.

We certify that all materials, equipment and/or services proposed meet or exceed the specifications and will be supplied in accordance with the entire contents of this proposal.

We promise to complete the contract within the contract period, or pay any liquidated damages, if stipulated, for each calendar day as set forth in the bid documents.

Signed \_\_\_\_\_ Date \_\_\_\_\_

**Iowa Department of Transportation  
Standard Terms and Conditions For  
Bid Proposals/Contracts  
-FORMAL-**

*Formal* is the procurement process required by Iowa law when the estimated, aggregate amount of the purchase equals or exceeds \$50,000.

The entire contents of this bid proposal shall become a part of a contract or purchase order. In case of a discrepancy between the contents of the bid documents, the following items listed by descending order shall prevail:

- Addendums to the bid proposal
- Bid Proposal-
- Schedule of Prices
- Specifications
- Plans and Drawings
- Supplemental Terms and Conditions
- Standard Terms and Conditions

(Example - if a statement in the specifications contradicts a statement in the Standard Terms and Conditions, the statement in the specifications shall apply)

**Preparation of Bid Response:** All bid responses must address all aspects of the proposal including clearly answering all questions within the proposal. Bid responses must be typed or completed in ink and submitted on the forms supplied by the Iowa DOT.

**Bid responses must be signed and received prior to the bid opening date and time as indicated on the Bid Response cover page or bid opportunity. The signed, submitted quotation or bidder's proposal shall become the official bid response to be considered for award.**

**No email, fax or web link bid responses will be accepted. Bid Responses must be signed, sealed and delivered in person or by a mail courier that ensures timely delivery.**

---

**A. Bid Proposal**

1. **Bid Opening:** Bid openings are made public and conducted at the Iowa DOT, Ames complex unless otherwise specified. Bid responses received after the time of the bid opening will be returned unopened and considered non-compliant.
2. **Communications:** Questions concerning this proposal should be directed to the purchasing agent listed on the bid proposal. Inquiries can be written, phoned, or faxed. In all cases, written communication will take precedence over verbal communication
3. **Proposal Guarantee:** If required, the bid response page will indicate the amount required to be included in the bid response. A Proposal Guarantee can be supplied in one of the following ways: **(1)** Certified check or credit union certified share draft, cashier's check, or bank draft, drawn on a solvent bank or credit union. Certified checks and certified share drafts shall be drawn and endorsed in the amount indicated. Checks or drafts shall be made payable either to the Iowa Department of Transportation (Iowa DOT) or to the bidder. If payable to the bidder, the check or draft shall be endorsed without qualifications to the Iowa DOT by the bidder or an authorized agent. **(2)** An insurance or surety company may be retained to provide a bond in fulfillment of the proposal guarantee requirement. A properly completed and signed copy of the Proposal Guarantee (*Form 131084*) must accompany the bid. **The Iowa DOT's Proposal Guarantee form must be used; no other forms or formats will be accepted.**
4. **Pricing and Discount:** Unit prices shown on the bid/response shall be quoted as the price per unit (e.g., gal., case, each, etc.) as stated in the bid proposal. If there is a discrepancy between the unit bid prices, extension, or total amount of bid, the unit prices shall prevail. Unless otherwise indicated, prices shall be firm for the duration of the contract or purchase. Discounts for early payment are allowed, but not considered in award of the contract.

5. **Acceptance/Rejection:** The Iowa DOT reserves the right to accept or reject any or all bids and to waive irregularities or technicalities, provided such waiver does not substantially change the offer or provide a competitive advantage to any supplier(s). The Iowa DOT also reserves the right to accept that bid which is deemed to be in the best interests of the state. Any unauthorized changes, additions, or conditional bids including any ties to another bid or proposal or any reservations about accepting an award or entering into a contract, may result in rejection of the bid. Bids must remain available for award for thirty (30) days from date of bid opening.
6. **Bid Results & Disclosure:** Bid tabulations will be posted on the DOT website at [www.iowadot.gov/purchasing](http://www.iowadot.gov/purchasing) under the *Bid Award* link referencing the proposal number with an award recommendation indicated. At the conclusion of the selection process, the contents of all received bid responses will be placed in the public domain and be open to inspection by interested parties, according to state law. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld if clearly identified as such in the proposal.
7. **Quality:** All material shall be new and of first quality. Items which are used, demonstrators, refurbished, obsolete, seconds, or which have been discontinued are unacceptable without prior written approval by the Iowa DOT.
8. **Recycled Content:** The Iowa Code encourages purchase of products and materials with recycled content, including but not limited to paper products, oils, plastic products, compost materials, aggregate, solvents, and rubber products. Recycled items or alternatives must be noted in the bid response, if known.
9. **Shipping Terms:** Deliveries shall be F.O.B. Destination unless otherwise specified. All deliveries shall be accompanied by a packing slip indicating the Supplier, quantities shipped, and the purchase order number(s). All delivery charges shall be included in the bid price and paid by the Supplier. No collect C.O.D. deliveries shall be accepted. When entering into a contract, the Supplier shall notify the freight company that all freight and delivery charges are to be prepaid by the Supplier. Goods delivered to the Iowa DOT Distribution Center at 800 Lincoln Way, Ames, IA shall be received between the hours of 7:30 a.m. and 3:30 p.m. on any day except Saturday, Sunday, or a holiday. For deliveries to other Iowa DOT locations, the Supplier may contact the destination location for available times to deliver as not all Iowa DOT locations have the same business hours. The Iowa DOT will not be liable for any freight claims or unpaid freight bills arising from contract or purchase order issues.

## B. Award

The binding agreement (award) may be issued in the form a purchase order or contract or both depending on the requirements and complexity of the agreement.

1. **Method of Award:** Award shall be made to the lowest responsible, responsive bidder whose bid meets the requirements of the solicitation and is the most advantageous to the Iowa DOT unless otherwise specified. An Iowa bidder will be given preference over an out-of-state bidder when bid responses are equal in all aspects and are tied in price. By virtue of statutory authority preference will be given to products and provisions grown and coal produced within the State of Iowa.
2. **Award Protests:** Protests of award recommendations are to be addressed to the Director of Purchasing, and shall be made in accordance with paragraph 761--20.4(6)"e" of the Iowa Administrative Code.
3. **Contracts:** Successful contractor(s) may be sent either a formal Contract, Notification of Award or purchase order as confirmation of acceptance and award. Any of these binding agreements shall be for the term stated in the bid proposal or on a purchase order and may be renewed for additional period(s) under the same terms and conditions upon mutual agreement as defined. The successful bidder may not assign a contract to another party without written authorization from the Iowa DOT Purchasing Section. A service contract, including all optional renewals, shall not exceed a term of six years unless a state agency obtains a waiver of this provision pursuant to rule 11-11B.16 (8A).
4. **Payment Terms:** The Iowa DOT typically pays properly submitted vendor invoices within thirty (30) days of receipt, providing goods and/or services have been successfully delivered, installed or inspected (if required), and accepted. Invoices presented for payment must be only for quantities received by the Iowa DOT and must reference the purchase order number to be submitted for processing.

5. **Default:** Failure of the Supplier to adhere to specified delivery schedules or to promptly replace rejected materials shall render the Supplier liable for all costs in excess of the bid price when alternate procurement is necessary. This shall not be the exclusive remedy and the Iowa DOT reserves the right to pursue other remedies available to it by law or under the terms of the binding agreement.
6. **Default:** Failure of a Contractor other than a Supplier to meet any specified project completion deadline shall render the Contractor liable for all costs incurred by DOT that were: a) necessary to meet said deadline; or b) necessary to complete said project after said deadline. This shall not be the exclusive remedy and the Iowa DOT reserves the right to pursue other remedies available to it by law or under the terms of the agreement.

### C. General

1. **Administrative Rules:** For Additional details on the rules governing the actions of the Iowa DOT Purchasing Section, refer to 761 IAC, Chapter 20, Iowa Administrative Code, entitled "Procurement of Equipment, Materials, Supplies and Services".
2. **Affirmative Action:** The Contractor (and also subcontractor, vendor or supplier) is prohibited from engaging in discriminatory employment practices forbidden by federal and state law, executive orders and rules of the Iowa Department of Management, pertaining to equal employment opportunity and affirmative action. Contractor may be required to have on file a copy of their affirmative action program, containing goal and time specifications. Contractors doing business with Iowa in excess of \$5,000 annually and employing 50 or more full time employees may be required to file with the Iowa Department of Management a copy of their affirmative action plan. Failure to fulfill these non-discrimination requirements may cause the contract to be canceled and the contractor declared ineligible for future state contracts or subject to other sanctions as provided by law or rule.
3. **Applicable Law:** The contract shall be governed under the laws of the State of Iowa. The contractor shall at all times comply with and observe all federal and state laws, local laws, ordinances, and regulations which are in effect during the period of a contract and which in any manner affect the work or its conduct. Any legal action relating to a contract shall only be commenced in the Story County, Iowa, District Court or the United States District Court for the Southern District of Iowa.
4. **Conflict of Interest:** No state or county official or employee, elective or appointive shall be directly or indirectly interested in any contract issued by the Iowa DOT, see Code of Iowa 314.2.
5. **Debarment and Vendor Suspension:** By submitting a proposal, the contractor is certifying that it and its principals and/or subcontractors are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by the State of Iowa or any Federal department or agency.
6. **Equal Opportunity:** Firms submitting bids must be an "Equal Opportunity Employer" as defined in the Civil Rights Act of 1964 and in Iowa Executive Order Number Thirty-four.
7. **Infringement:** Goods shall be delivered free of the rightful claim of any third party by way of infringement. Contractor shall indemnify and save harmless the State of Iowa and the Iowa DOT against all claims for infringement of, and/or royalties claimed under, patents or copyrights on materials and equipment furnished under this bid.
8. **Records Audit:** The contractor agrees that the Auditor of the State of Iowa or any authorized representative of the state, and where federal funds are involved, the Comptroller General of the U.S. Government, shall have access to and the right to examine, audit, excerpt, and transcribe any directly pertinent books, documents, papers, and records of the contractor relating to orders, invoices, or payments of a contract or purchase order.
9. **Targeted Small Businesses:** The Iowa DOT seeks to provide opportunities for women and/or minority small business enterprises. To apply for certification as an Iowa Targeted Small Business, contact the Iowa Department of Inspection and Appeals (515-281-5796). Contractors shall take documented steps to encourage participation from Targeted Small Businesses for the purpose of subcontracting and supplying of good or services or both.
10. **Taxes:** Prices quoted shall not include state or federal taxes from which the state is exempt. Exemption certificates will be furnished upon request.
11. **Termination:**
  - **Termination Due to Lack of Funds or Change in Law**  
The Iowa DOT shall have the right to terminate this Contract without penalty by giving thirty (30) days written notice to the vendor as a result of any of the following:
    - Adequate funds are not appropriated or granted to allow the Iowa DOT to operate as required and to fulfill its obligations under contract.
    - Funds are de-appropriated or not allocated or if funds needed by the Iowa DOT, at the

Iowa DOT's sole discretion, are insufficient for any reason.

- The Iowa DOT's authorization to operate is withdrawn or there is a material alteration in the programs administered by the Iowa DOT.
- The Iowa DOT's duties are substantially modified.

Following a 30 day written notice, the Iowa DOT may terminate a binding agreement in whole or in part without the payment of any penalty or incurring any further obligation to the Supplier. Following termination upon notice, the Supplier shall be entitled to compensation upon submission of invoices and proper proof of claim for goods and services under contract up to and including the date of termination.

I HEREBY CERTIFY THAT THIS PROPOSAL MEETS OR EXCEEDS THE MINIMUM REQUIREMENT INCLUDING SPECIFICATIONS AND ADDENDUMS.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Supplemental Terms and Conditions  
for  
Rock Salt for FY 2016  
Letting Date: May 6, 2015  
Proposal No: 13999

**Iowa Department of Transportation (Iowa DOT)**

**Bid Option 1**

This option requires vendors to bid FOB destination pricing per ton for fiscal year 2016 to all individual Iowa DOT locations listed. Groups 1-7 are Iowa DOT garages that have unstaffed off-site salt storage. These garage combinations must have all locations within the group bid. Group 8 list individual DOT garages.

**Bid Option 2**

This options awards all Iowa DOT locations within a district as indicated in **Attachment A**. Attachment A provides a map of the Iowa DOT district boundaries. Group 9 list DOT garages by district. No vendor will be awarded more than three (3) districts.

**Government Entities – (Political Subdivisions)**

Group 10	Political Subdivisions – Cities
Group 11	Political Subdivisions – Counties
Group 12	Other Political Subdivisions within the State of Iowa.

**Additional Information**

Provisions of this proposal shall apply to all participating political subdivisions unless indicated otherwise. Purchases shall be made by each government entity as allowed by individual budgets. All Political Subdivisions are responsible for placing orders and issuing payment throughout the contract period.

If any additional information is required to properly evaluate the bid, the bidder shall furnish the requested information within three (3) working days after notification from Purchasing.

**Contract Award**

Iowa DOT - Pricing for both options 1 and 2 may be submitted. The Iowa DOT will choose the option that best meets the needs of the Department based on cost and delivery and may award by a combination of options 1 & 2.

Award by line item or for any one group or combination of groups must have all items within a group bid to be considered for a group award.

Political Subdivisions - Groups 10-12 will be awarded by line item as determined by the agency.

## **Contract Period**

The successful bidder will be awarded a one (1) year contract with an option to renew for three (3) additional years in twelve (12) month increments. A price adjustment may be allowed on each renewal but must not exceed the CPI (PPI or appropriate index for adjustment may be used) based on the month of April. Any adjustment must be mutually agreed upon and be pre-approved by the Iowa Department of Transportation, Purchasing Section.

The Iowa DOT reserves the right to adjust the estimated tons of salt at the beginning of each contract year. If there is a change to the original estimated tons, vendors will be given the revised yearly quantities prior to the beginning of the next contract year.

A fuel adjustment will be made in the first and second contract year extensions based on the Iowa DOT standard fuel adjustment chart. The base price of the chart for each year will be determined and set by the Iowa DOT. Any extension and fuel adjustment terms will be mutually agreed upon by the Iowa DOT and the contract holder. Any cost increase must be pre-approved by the Iowa Department of Transportation, Office of Finance, Purchasing Section.

## **Contract Obligations**

The Iowa DOT and all other government entities shall guarantee the purchase of 80% of the total estimated quantity of rock salt awarded to each vendor. The vendor guarantees to supply no less than 110% of the contract award. The 80% - 110% agreement will apply to each government entity. All entities will be considered a line item on the proposal's Schedule of Prices as a single award except those that have multiple delivery locations. If a government entity has more than one (1) line item on the Schedule of Prices, the total of the line items per vendor shall meet the 80%-110% agreement. The Iowa DOT contract award will be a total of all locations per vendor contract award for either bid options.

Upon mutual agreement between the vendor and any requesting government entity, additional salt over the 110% obligation may be purchased at the contract price.

## **Carry over**

In the event any government entity cannot purchase 80% of the quantity prior to the end of the contract, those entities agree to reimburse the vendor at the contract price plus a carryover charge of \$2.00/ton for salt delivered the next winter season.

Upon mutual agreement, the balance of any undelivered salt may be canceled in lieu of the new season delivery. Each entity, (Iowa DOT, Iowa Cities, Iowa Counties, Others) is responsible for creating their own orders and making payments throughout the contract period and is responsible for complying with the terms of this section.

## Ordering Information

### **Purchase Orders**

All Iowa DOT purchase orders shall be created and emailed to the vendor by the Iowa DOT's Office Finance, Purchasing Section. No other phone or fax orders shall be considered official orders.

### **Quantities**

All quantities delivered shall be within  $\pm 1$  truckload based on twenty five (25) tons per truckload. The Iowa DOT shall order no less than twenty five (25) tons per purchase order.

The Iowa DOT reserves the right to limit the tonnage of salt awarded to any one bidder taking into consideration the vendor's stipulated maximum capacity to deliver. **Each vendor shall provide the annual maximum tons of rock salt that can be supplied as required in Attachment B.**

## Delivery Requirements

### **Storage & Transport**

Salt shall be protected from moisture at all times with a weatherproof covering during storage and hauling. All truckloads in transit shall arrive tarped and protected from weather. Any truckloads of salt delivered uncovered/untarped may be rejected. Salt shall be delivered to the salt storage building by truck with a maximum capacity of 25 tons which can be quickly unloaded inside the Iowa DOT salt storage buildings when unloading inside the storage facility is possible.

If the salt storage facility is too full to accommodate trucks inside the building, the contractor will be allowed to deposit salt on the asphalt pad at the building entrance **only** if an Iowa DOT employee is present to load the material into the building. Iowa DOT employees will complete loading of the salt into the facilities with the use of loaders, Iowa DOT owned augers or conveyors or unloading equipment contracted for locally.

No self-unloading equipment is required of the vendor or hauler. If unloading equipment is provided, no additional payment will be made above the contract price for the cost of the unloading equipment.

The physical layout of some facilities makes it impossible to accept deliveries in belly or grain hopper bottom style dump trucks. Those locations that cannot accept belly or grain hopper style dump trucks are specifically indicated on the Schedule of Prices. End dump trucks are preferred but belly dump trucks shall be allowed in all locations except where indicated on the Schedule of Prices. Grain hopper bottom trucks will also be allowed at those locations with no restrictions. **No tanker type trucks of any kind will be accepted at any Iowa DOT location.**

In the case of belly dump or grain hopper bottom deliveries, the wider belly dump trucks are preferred.

## **Delivery Notification**

NO DELIVERIES MAY BE MADE WITHOUT PRIOR NOTIFICATION TO THE CUSTOMER.

The Contract Vendor **must provide notice of intent to deliver the day prior to the actual delivery in order** to ensure that staff is available to inspect and receive the load. This notification can be either email or phone call to the respective Garage Supervisor. Delivery dates and times must be confirmed prior to delivery. A list of Iowa DOT Garage Supervisor's cell phone numbers will be provided to vendors upon award. The Iowa DOT Garage Supervisor should be notified of a significant change in schedule. Unannounced loads may be delayed or refused if personnel and/or unloading equipment are unavailable.

## **Delivery Schedule**

**Most Iowa DOT shop hours are Monday through Friday 7:00 a.m. to 3:30 p.m.**, with some exceptions. Some shops work four 10-hour days or other modified schedule during the summer months.

**All deliveries per purchase order shall be completed within 10 work days.** Weekends and Holidays shall not be considered delivery days. For orders exceeding 400 ton, an additional day shall be allowed for each 100 ton over 400.

## **Improper Deliveries**

**No salt shall be deposited outside the Iowa DOT salt storage building when the facility is unattended.** Iowa DOT personnel must be available to move salt into the DOT's facility and sign for the delivery. An Iowa DOT employee must sign and date any and all salt tickets. Salt unloaded without authorization or at an unattended facility will be subject to a 25% reduction of the awarded price per ton to compensate for possible damages and additional handling required by the Iowa DOT.

## **Damage to Storage Buildings**

The contractor shall be liable for any damage to storage buildings caused by hauler's or contractor's trucks, or their unloading equipment, or improperly placed salt that could cause corrosion damage to the building.

## **Iowa DOT Pre-fill**

The Iowa DOT does not anticipate any prefill ordering between July 1 and October 1, 2015. No liquidated damages will be assessed for deliveries made on or before October 1, 2015. The fuel adjustment chart will apply to pre-fill deliveries.

## **Invoicing & Packing List**

Each packing list and invoice must reflect only the merchandise relating to one purchase order. Multiple orders may be shipped together but each order requires individual invoicing and packing list stating purchase order number.

## **Ticket Requirements (Bills of Lading)**

A delivery ticket shall accompany each load.

The following information should be included on each ticket:

Iowa DOT Purchase Order number

Load number if multiple truckloads are required to fulfill purchase order quantity

Weight stamp from a certified scale facility (*stamped or mechanically printed weight shall be indicated - hand written weights shall be accepted only if a legible signature and company name are also included on the weigh ticket so that authenticity can be verified if necessary*).

The Iowa DOT reserves the right to weigh any truckload locally or by portable scale to confirm accurate ticket weights.

Deliveries unloaded without obtaining signatures **will not** be processed for payment.

## **Emergency Situations**

### **As requested by the Vendor:**

Vendors shall contact the Office of Finance, Purchasing Section, during severe weather if deliveries cannot be made during regular business hours. Vendors may request deliveries be accepted after hours when situations warrant. Any changes in scheduled deliveries must be approved by the Iowa DOT prior to all deliveries.

### **As requested by Iowa DOT:**

The Iowa DOT reserves the right to prioritize purchase orders before they are sent to vendors to supply those locations that have the most critical need. Should a critical need arise with *existing orders* held by the vendor and in the shipping process, the Iowa DOT reserves the right to reprioritize the shipping order. The vendor shall be given the location or locations and the corresponding purchase orders that will be interrupted or suspended and the location or locations that will require expedited delivery.

After the critical needs are met, the vendor shall be notified by the Iowa DOT Purchasing Section to resume interrupted or suspended orders. Due dates for suspended orders shall be adjusted accordingly to allow the appropriate amount of days for delivery.

Nothing in this contract shall be construed as to relieve the supplier from responsibilities for delivery or the assessment of Liquidated Damages thereof.

## **Force Majeure**

Neither the vendor nor the Iowa DOT shall be liable to the other for any delay or failure of performance of this Contract, and no delay or failure of performance shall constitute a default or give rise to any liability for damages if, and only to the extent that, such delay or failure is caused by a "force majeure."

As used in this Contract, "force majeure" includes acts of God, war, civil disturbance and any other causes which are beyond the control and anticipation of the party effected and which, by the exercise of reasonable diligence, the party was unable to anticipate or prevent.

Failure to perform by a subcontractor or an agent of the vendor shall not be considered a "force majeure" unless the subcontractor or supplier is prevented from timely performance by a "force majeure" as defined in this Contract.

"Force majeure" does not include: financial difficulties of the vendor or any parent, subsidiary, affiliated or associated company of the vendor; claims or court orders which restrict the vendor's ability to deliver the goods or services contemplated by this Contract.

If a "force majeure" delays or prevents the vendor's performance, the vendor shall immediately commence to use its best efforts to directly provide alternate, and to the extent possible, comparable performance.

Comparability of performance and the possibility of comparable performance shall be reasonably determined solely by the Iowa DOT.

During any such period, the vendor shall continue to be responsible for all costs and expenses related to alternative performance.

This section shall not be construed as relieving the vendor of its responsibility for any obligation which is being performed by a subcontractor or supplier of services unless the subcontractor or supplier is prevented from timely performance by a "force majeure" as described here.

## **Payment**

All vendor invoices must reference Iowa DOT purchase order numbers and corresponding delivery ticket number(s).

## **Liquidated Damages**

Any portion of a salt order delivered past the allowed ten (10) working days delivery schedule, (except for those allowed extra delivery days based on size of order), may be subject to a two dollar per ton (\$2.00/ton) reduction in cost. The Liquidated Damage's formula shall be (\$2.00 x tons x number of days late.) The Iowa DOT will calculate and assess liquidated damages for each purchase order and **will deduct the appropriate amount upon invoice.** Each contractor shall retain records that document reasons for delay of delivery.

**Iowa Department of Transportation  
Specifications  
for  
Rock Salt for FY 2016  
Letting Date: May 6, 2015  
Proposal No.: 13999**

**Specifications Applicable**

Rock salt supplied under terms of this contract shall comply with ASTM D 632-01, Classification Type 1, Grade 1: Gradation Type 1.

Non-compliant loads may be rejected. Acceptance of rock salt shall be in accordance with Iowa Department of Transportation (Iowa DOT) Materials Instructional Memorandum 491.21. Random sampling may be performed to insure compliance.

Moisture content allowance not to exceed two percent (2%), based on dry weight of a sample. The salt shall be treated with sodium ferrocyanide or other approved anti-caking agent at a rate of 50-250 ppm that prevents caking from moisture evaporation, aids in preventing caking by freezing, and assures delivery of salt in a free flowing condition. Ferric ferrocyanide shall not be used as an anti-caking agent. Anti-caking treatments shall be furnished at the expense of the contractor, and **the type and quantity of treatment shall be submitted with bid proposals.**

**Salt which is clearly non-compliant such as wet material or loads containing solid clumps/chunks may be refused by the local supervisor. Accepted deliveries that do not meet specifications, (gradation, sodium chloride or moisture content) shall be paid at no less than ten percent (10%) reduction of awarded bid price or may be subject to rejection.**

**Penalty**

Salt deliveries with excessive moisture will be paid at a reduced rate based on the following chart.

Percent of moisture above 2%  
2.01-2.5 = 10% reduction in total invoice price per truckload  
2.51-3.0 = 15%  
3.01-3.5 = 20%  
3.51-4.00 = 25%  
4.01% and above-rejection

## **INSPECTION & ACCEPTANCE ROCK SALT FOR ICE REMOVAL**

### **GENERAL**

Rock salt shall meet the requirements of the applicable specifications or special provisions designated in the contract documents.

### **ACCEPTANCE**

Acceptance of rock salt will be based on a producer certification and the judgement of the responsible Resident Engineer or the engineer's representative at the point of delivery.

The Central Materials Office will request from each supplier awarded a contract, a certification stating that the salt at the producing plant to be supplied during the contract period, meets the specified requirements. Suppliers that are not producers shall obtain the necessary certification from their producing supplier.

The receiving authority may request testing by the **District** Laboratory if a delivery is suspected of noncompliance.

### **MONITOR SAMPLING & TESTING**

Delivered rock salt may be sampled and tested to verify the capability of the producer to supply material meeting specification requirements.

## **Treated Salt Specifications**

AASHTO M143, TYPE-1, GRADE-1 ROADWAY DEICING SALT PRODUCT THAT IS ENHANCED WITH A CORROSION-INHIBITIVE PRE-WETTING PROCESS, AS MIXED WITH AT LEAST 20% MAGNESIUM CHLORIDE.

TREATMENT SOLUTION SHALL BE LOW ODOR, NON-LEACHING, ENVIRONMENTALLY SAFE, AND IN ACCORDANCE WITH NACE STANDARD TM01-69 AS MODIFIED BY P.N.S.

TREATMENT SOLUTION SHALL BE APPLIED AT A RATE OF APPROX (7+-1) GALLONS PER TON OF SALT, IN ACCORDANCE WITH INDUSTRY AND ASTM STANDARDS, AND MUST BE APPLIED PRIOR TO FINAL SHIPMENT.

TREATMENT SOLUTION SHALL PROVIDE FOR REDUCED SALT CORROSION RATE, AT LEAST 70% BETTER THAN STANDARD ROAD SALT, AND A 5-9 LIMIT FOR PH OF THE LIQUID PRODUCT, IN ACCORDANCE WITH P.N.S. STANDARDS.

TREATMENT SOLUTION SHALL PROVIDE FOR LOWERED EUTECTIC TEMPERATURE PERFORMANCE, NO HIGHER THAN -60°F DEGREE, ALLOW FOR STORAGE LIFE OF 24 MONTHS AND NOT LEACH IN EXCESS OF 1% IN COVERED STORAGE.

## Fuel Adjustment

Fuel surcharges will only be allowed if the price per gallon of diesel fuel INCREASES more than twenty percent (20%) from the diesel fuel prices posted on the day of the bid letting. If the price of fuel DECREASES more than twenty percent (20%) from the price of diesel the day of the letting, the vendor must pass the savings on the Iowa DOT. The decrease shall only apply to the freight portion of the delivered price. The vendor must provide the total price per ton and the freight portion so the percentage can be calculated and deducted from the payment.

**The Weekly On-Highway Retail Diesel Price fuel indicator chart, for mid-west column, provided by the Department of Energy shall be used.** The Department of Energy's weekly "On-Highway Retail Diesel Prices" fuel chart for mid-west.

This column shall be used to determine fuel adjustments when the price of diesel fuel increases or decreases by \$0.20 cents from the **base price of \$3.25 per gallon.**

The fuel allowance shall be based on the weekly price of diesel fuel the day the Iowa DOT receives and signs for each truckload. The chart is updated weekly.

Fuel Surcharges must be reflected as a separate line item on each invoice.

<http://tonto.eia.doe.gov/ooq/info/wohdp/diesel.asp>

This fuel adjustment shall apply to all orders beginning July 1, 2015 through June 30, 2016.

# Attachment A - FY 2016 Salt Locations

**DISTRICT 1 - 32,600    DISTRICT 2 - 27,050    DISTRICT 3 - 18,950**  
**DISTRICT 4 - 31,125    DISTRICT 5 - 23,625    DISTRICT 6 - 35,775**

Note: Groups 1 - 7 & individual garages in Group 8 are included in district totals.  
 Group 12 is District totals.

Group 9 are Iowa DOT district totals, not Group 12

## Attachment B

**This sheet must be submitted with the Schedule of Prices.**

### **Maximum Tonnage by vendor**

The maximum tonnage available to the Iowa Department of Transportation and all government entities is \_\_\_\_\_ tons.

### **Anti-caking agent information**

Type of anti-caking agent used is \_\_\_\_\_. Rate: \_\_\_\_\_ppm

Up-charge price for treated salt \$\_\_\_\_\_ per ton (see treated salt specifications)  
Treated salt will be made available to political subdivisions only.

The Iowa Department of Transportation will not order treated salt for any location.

## PROPOSAL GUARANTY / BID BOND

KNOW ALL PERSONS BY THESE PRESENTS: That we, \_\_\_\_\_  
(Contractor's/Bidder's Name)

\_\_\_\_\_ of \_\_\_\_\_  
(City,State)

as principal, and the \_\_\_\_\_  
(Surety)

of \_\_\_\_\_ as Surety, are held and firmly bound unto the Iowa Department of  
(Address)

Transportation and to the State of Iowa, or Municipality as defined in Iowa Code, Section 73A.1 as applicable, hereinafter defined as Obligee, in the penal sum as shown in the contract documents of the specified project, for which payment said principal and surety bind themselves, their heirs, executors, administrators, successors, and assigns jointly and severally, firmly by these presents.

WHEREAS, the principal is herewith submitting his/her or its sealed proposal for:

County \_\_\_\_\_

Bid Order # \_\_\_\_\_  
(not required by Purchasing Section)

Type of Work \_\_\_\_\_

Date of Letting \_\_\_\_\_, 20 \_\_\_\_ .

NOW THEREFORE, if the said proposal bid by said principal be accepted, and the principal shall enter into a contract with the Obligee in accordance with the terms of such bid, and give such bond as may be specified in the bidding or contract documents with good and sufficient surety for the faithful performance of such contract and for the prompt payment of labor and material furnished in the prosecution thereof, then this obligation shall become null and void or in the event of the failure of the principal to enter such contract and give such bond, the principal shall pay to the Obligee the full amount of the bid bond, together with court costs, attorney's fees, and any other expense of recovery.

IN WITNESS WHEREOF, the principal and surety have caused these presents to be signed this \_\_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_ .
