Ames Chiller Bldg. Catwalk
Questions and Responses Set 1**

Q1) It does not look like there are any roof penetrations?

R1) There are none.

Q2) Is there an existing catwalk?

R2) No, the new cat walk will be above the existing beams.

Q3) There is a fence around the chiller will this be safe enough or do we need to put up our own safety fence?

R3) No, What DOT has is sufficient.

Q4) Where do we stage the crane and equipment?

R4) South side of chiller building.

Q5) What are the work hours and how soon can we start ?

R5) 7:00a.m. -3:30p.m. M- F. Once project is awarded DOT will work with Contractor to set up security access for the hours they might require for this project. Work can begin as soon as we have a fully executed contract in place.

Q6) What is the clearance on the skywalk?

R7) Clearance is 12' 6"
