Addendum No 2

Proposal: 4178

Iowa Department of Transportation GNSS Rover, Data Collector, Software, and Related Equipment

Letting Date: November 4, 2009

To All Prospective Bidders: This Addendum is issued to incorporate the following additions, deletions, corrections, and clarifications to the Specifications and is hereby made a part of the Contract Documents

Please make the following changes to Item A2 – Data Collector – Additional Requirement.

The Vendor shall submit alternate bids for Item A.2, Data Collectors for:

- Item A.2.a – Data Collector w/ Keyboard
- Item A.2.b – Data Collector w/ Touch Screen

If the Vendor's solution is limited to one type of Data Collector, the Vendor shall include the bid in the appropriate line item.

If the Vendor's solution provides for a Data Collector with both functionalities, the Vendor shall include the bid in Item A.2.a – Data Collector w/ Keyboard.

The Iowa DOT plans to purchase a total of 76 Data Collectors.

Please replace the original Schedule of Prices with the attached Revised Schedule of Prices.

A signed copy of this addendum is to be returned with the proposal. If you have any questions please contact the Office of Procurement and Distribution, Purchasing Section. Our phone number is 515-239-1310
