Evaluation of tires will be done the same as last year. All tires accepted in the past might not be accepted this year. Please read all literature to make sure you don't miss any changes.

*****All additional information asked for on any lines needs to be filled in and Net State Pricing Pages and literature books with pictures & specifications need to be sent with bids as this is what we use to evaluate bids.*****

Lines 1-19 only Bridgestone, Goodyear & Michelin Tires will be allowed on these lines. Please bid a good, better & best tire for each line. We will be taking the price of each tire divided by the mileage to come up with a cost per mile and this will determine low bid, unless we feel this choice isn't in the best interest of the DOT.

Lines 20-25 only Bridgestone, Goodyear & Michelin Tires will be allowed on these lines. These lines don't have mileage so price will determine low bid.

Lines 26-32 Bridgestone/Firestone, Goodyear & Michelin Tires will be allowed on these lines. Please bid a good, better & best tire for each line. We will be taking the price of each tire divided by the mileage to come up with a cost per mile and this will determine low bid, unless we feel this choice isn't in the best interest of the DOT.

Lines 33-38 These are no substitutions lines and price will determine low bid.

Lines 39-45 and lines 60-61 any brand allowed, but please indicate on additional lines what you are bidding.

Lines 46-59 we will only allow USA made (Firestone, Goodyear & Titan) brands. Please indicate on additional lines what you are bidding.

PLEASE CALL WITH ANY QUESTIONS YOU HAVE PRIOR TO BID OPENING.

Communications: Questions concerning this proposal should be directed to the Purchasing Agent listed on the Purchasing Proposal. Inquiries can be written, phoned, or faxed. In all cases, written communication will take precedence over verbal communication.

Acceptance/Rejection: The State of Iowa reserves the right to accept or reject any or all bids and to waive irregularities or technicalities, provided such waiver does not substantially change the offer or provide a competitive advantage to any vendor, in the judgement of the Iowa DOT. The Iowa DOT also reserves the right to accept that bid which is deemed to be in the best interests of the state. Any unauthorized changes, additions, or conditional bids including any ties to another bid or proposal or any reservations about accepting an award or entering into a contract, may result in rejection of the bid.
