

U.S. Army Corps of Engineers Civil Works Project Lists - Primary State: Iowa			
Recovery Act funding			
Operation and Maintenance Program			
Project Name	Corps District	Work description	Planned allocation
Coralville Lake, IA	Rock Island	Coralville Equipment Replacement of 22 year old water safety patrol boat and 18 year old tractor. Replacement will reduce maintenance costs and provide reliable equipment. Number of water safety patrols of the lake have been reduced due to unreliability of boat.	\$140,000.00
Coralville Lake, IA	Rock Island	Coralville Sanitary Facilities. Replacement of waterbourne and vault restroom facilities 30+ years old and that do not meet American Disabilities Act standards.	\$785,000.00
Coralville Lake, IA	Rock Island	Construction of a storage building to increase storage of flood fighting equipment including sandbags and pumps which will provide for a more rapid response to communities who need these supplies. Building would also store vessels, water safety equipment and other material for the project.	\$225,000.00
MISSOURI RIVER - SIOUX CITY TO THE MOUTH, IA,KS,MO & NE	KANSAS CITY	Purchase of a 5 cubic yard Excavator to allow efficient modification of river structures and emergency dredging to ensure that the navigation channel remains passable to barge traffic.	\$900,000.00
MISSOURI RIVER - SIOUX CITY TO THE MOUTH, IA,KS,MO & NE	KANSAS CITY	Contract purchase of an Inspection Boat to allow efficient and safe inspection of river structures to ensure that the navigation channel remains passable to barge traffic.	\$450,000.00
MISSOURI RIVER - SIOUX CITY TO THE MOUTH, IA,KS,MO & NE	KANSAS CITY	Contract purchase of a Dump Truck to provide reliable transport of materials for use in maintaining the river navigation channel passable to barge traffic.	\$200,000.00

MISSOURI RIVER - SIOUX CITY TO THE MOUTH, IA,KS,MO & NE	KANSAS CITY	Purchase rock for placement in specific trouble areas in maintenance of the Missouri River Bank Stabilization and Navigation Project to ensure the navigation channel remains passible to barge traffic and that critical structures are protected.	\$500,000.00
MISSOURI RIVER - SIOUX CITY TO THE MOUTH, IA,KS,MO & NE	KANSAS CITY	Perform Hydrographic Survey of the Missouri River to ensure that the required navigation channel exists at all locations, identify any areas that require specific maintenance efforts and develop navigation maps to ensure safe and reliable barge traffic.	\$1,000,000.00
RATHBUN LAKE, IA	KANSAS CITY	Maintenance contract labor/contract mowing, Contract refuse collection and other service contracts and maintenance items that will minimize future maintenance, ensure a clean and well maintained parks for the recreating public and to ensure public safety at the lake.	\$63,000.00
RATHBUN LAKE, IA	KANSAS CITY	Contract Noxious Plant Control to prevent the migration of weeds and invasive plants from Government land to private property.	\$50,000.00
RATHBUN LAKE, IA	KANSAS CITY	Contract clearing, marking, spraying and other Government Property Boundary Maintenance to protect Government property from private use.	\$50,000.00
RATHBUN LAKE, IA	KANSAS CITY	Direct hire of temporary Water Safety Rangers to provide enhanced safety and customer service to the recreating public and purchase of water safety equipment and materials and Safety Brochures	\$50,000.00
RATHBUN LAKE, IA	KANSAS CITY	Contract purchase of emergency response, inspection, communication and warning equipment such as radios, satellite phones, software, dialers, sirens, sonar, and remote controlled surveillance equipment to allow improved emergency response, evaluation and communication with law enforcement and first responders to minimize the risk of failure and protect public safety.	\$15,000.00

RATHBUN LAKE, IA	KANSAS CITY	Critical road repair on the dam to significantly damaged roads that provide primary access to facilities and recreation areas that will provide significant enhancements of service to the public, minimize future maintenance costs and improve dam safety by providing reliable access in all weather.	\$2,037,000.00
RATHBUN LAKE, IA	KANSAS CITY	Collect, Scan/Digitize, protect, archive and file project documents to allow efficient retrieval and protection of historical documents to minimize future storage costs and lost effort.	\$30,000.00
RATHBUN LAKE, IA	KANSAS CITY	Purchase of modern, safe and handicapped accessible playground sets and other related equipment, safe playground surfacing, boat docks, and other equipment directly used by the recreating public to enhance safety and service to the public.	\$100,000.00
RATHBUN LAKE, IA	KANSAS CITY	Contract for surveys to measure the amount of sediment in the lake to allow planning for water supply and other water uses and engineering for flood control management to protect the safety of the dam and the public.	\$100,000.00
RATHBUN LAKE, IA	KANSAS CITY	Purchase, construction and/or modify recreation facilities The modifications will vary by lake and park depending upon the existing facilities and the needs of each area to best enhance service to and safety of the public.	\$275,000.00
RATHBUN LAKE, IA	KANSAS CITY	Direct Hire of temporary maintenance workers to provide dam, campground, public use areas and general project maintenance to provide safer facilities and equipment, enhance service to the public and reduce future maintenance costs.	\$60,000.00
RATHBUN LAKE, IA	KANSAS CITY	Hired contract labor to provide dam, campground, public use areas and general project maintenance to provide safer facilities and equipment, enhance service to the public and reduce future maintenance costs.	\$50,000.00

RATHBUN LAKE, IA	KANSAS CITY	Contract purchase of Global Positioning System Survey Equipment to provide more accurate inventory of project equipment/facilities and minimize future survey costs.	\$10,000.00
RATHBUN LAKE, IA	KANSAS CITY	Critical road repairs to significantly damaged roads that provide primary access to facilities and recreation areas that will provide significant enhancements of service to the public and minimize future maintenance costs.	\$2,100,000.00
RATHBUN LAKE, IA	KANSAS CITY	Purchase of new, or modification of existing, shower houses, campgrounds, boat ramps, boat docks, rest rooms, administrative buildings and other facilities and associated equipment, sidewalks, parking areas, signs and other features to make them handicapped accessible in compliance with the Americans with Disabilities Act to enhance service to the public.	\$310,000.00
RED ROCK DAM AND LAKE RED ROCK, IA	ROCK ISLAND	Red Rock Natural Res Maintenance-Invasive Species. Contract for removal of invasive species that threaten native prairies and woodlands. Contract will perform vegetative maintenance of environmental areas, recreation areas and flood control structures.	\$200,000.00
RED ROCK DAM AND LAKE RED ROCK, IA	ROCK ISLAND	Red Rock Boundary Maintenance-Contract for maintenance of public land boundary. Work will clearly delineate public land by replacing missing monumentation and line markings on this 45-year old boundary.	\$300,000.00
RED ROCK DAM AND LAKE RED ROCK, IA	ROCK ISLAND	Red Rock Equipment Replacement. Contract for replacement of critical equipment that supports maintenance of flood structures, environmental and recreation areas. Replacement will significantly reduce downtime due to repairs and improve operator safety.	\$500,000.00

SAYLORVILLE LAKE, IA	ROCK ISLAND	Saylorville Road Repair. Preventive maintenance and repaving recreation area roads that have deteriorated over the years. Repaving would allow widening in some areas to accommodate modern vehicles and overlays will provide safer roadways within recreation areas.	\$235,000.00
SAYLORVILLE LAKE, IA	ROCK ISLAND	Saylorville Neal Smith Trail Repairs Phase II. Funding would allow rehabilitation of 30+ year old multipurpose trail and provide additional repairs including, correction of unsafe portions of the trail, and widening to meet current standards and overlaying the trail to provide a smoother and safer trail surface.	\$1,000,000.00
SAYLORVILLE LAKE, IA	ROCK ISLAND	Saylorville Modernize Interpretive Visitor Center Displays. Modernization of 1970-era displays	\$465,000.00
SAYLORVILLE LAKE, IA	ROCK ISLAND	Saylorville Prairie Flower Campground Restore to Facility Std. Funding would allow for removal of old rotten and unsafe railroad ties at many campsites. Campsites would be concreted to provide better access and a firm, level and safer campsite.	\$300,000.00
		Totals	\$12,500,000.00
Construction Program			
Project Name	Corps District	Work description	Planned allocation
CLEAR LAKE, IA	Rock Island	Fully fund construction contract for aquatic restoration project	\$990,000.00
DES MOINES AND RACCOON RIVERS, IA	Rock Island	Construction Contract for Flood damage reduction for the Des Moines and Raccoon Rivers , Des Moines, IA (levees & flood walls.)	\$3,336,000.00
IA RVR, IA CITY, JOHNSON CO., IA	Rock Island	Fully fund construction contract	\$194,000.00
LOCK AND DAM 11, MISSISSIPPI RIVER, IA (MAJOR REHAB)	Rock Island	Award Stage IIIb contract Dam concrete repairs	\$4,138,000.00

MISSOURI R FISH AND WILDLIFE RECOVERY, IA, KS, MO, MT, NE, ND & SD	Omaha	Missouri River Recovery program contracts designed for supporting populations of native species.	\$6,900,000.00
RATHBUN LAKE HABITAT RESTORATION PROJECT, IA	Kansas City	Award Contract to complete design and implementation phase and construction of shoreline restoration.	\$500,000.00
UPPER MISSISSIPPI RIVER RESTORATION, IL, IA, MN, MO & WI	Rock Island	Odessa habitat restoration on the Mississippi River. Complete construction of interior water control and revegetation of bottom land.	\$150,000.00
		Total	\$16,208,000.00
