13. Project Name: **City of Asbury Walking/Biking Trail***

Sponsor: City of Asbury

Contact: Beth Bonz, City Administrator
5080 Asbury Road
Asbury, IA 52002
563-556-7106

Description: The City of Asbury Walking/Biking Trail is a multi phase project with the goals of providing safe travel for non-motorized pedestrian traffic along Asbury Road and to connect existing recreational Trails in the community. Walking and bicycling traffic along Asbury Road currently share the roadway with motorized vehicles traveling at approximately 35 miles per hour. Pedestrian traffic has increased in the community along Asbury Road due to the opening of Roosevelt Middle School in August 2005. Approximately 15% - 20% of the 1,100 students enrolled at the school either walk or bike to school. Walking and biking along the roadway is a serious safety concern. The Asbury Road corridor accommodates only motorized traffic. The proposed trail is approximately three quarters of a mile in length.

Total Cost: \$485,750
