John E. Sebastian
Office of Traffic & Safety
All Town Sign Replacement Program
Iowa Department of Transportation
800 Lincoln Way
Ames, IA 50010

Dear John,

Please accept this report as certification that all the signs obtained through the All Town Sign Replacement Program have been received and installed. Attached to this letter are a few photos showing an example of the improvements made.

On behalf of the Mayor and City Council of Decorah, thank you for offering this program and for selecting the City as a recipient for the signs and posts. The program has helped off-set our budget and helped us maintain our community's streets.

If you need additional information for the close-out, please do not hesitate to contact me.

Thank you again.

Sincerely,

Chad A. Bird
City Manager
