- = Partially Funded Site Improvements

There are also 15 statewide sites, studies and traffic control projects funded

**Site Specific – Fully Funded**

<b>Applicant</b>	<b>Location</b>	<b>Improvement</b>	<b>Project</b>	<b>Request</b>	<b>Recommend</b>
Iowa DOT - Traffic and Safety		Low-cost safety improvements on county roads	\$500,000.00	\$500,000.00	\$500,000.00
Iowa DOT District 1	Oralabor Rd/ Delaware Ave.	Addition of dual NB right turn lanes, WB right turn lanes, widening of exit ramp and addition of SB right turn lanes	\$3,217,300.00	\$500,000.00	\$500,000.00
City of Des Moines	42nd St	Traffic signals at 42nd St and Crocker St, remove WB movement at 42nd and Chamberlain Dr., replacement/relocation of pad signals across 42nd, added turn lanes, and sidewalk improvements	\$1,696,300.00	\$500,000.00	\$500,000.00
City of Des Moines	Prospect and MLK	Installation of traffic signal	\$290,000.00	\$120,000.00	\$120,000.00
City of Des Moines		Upgrading the traffic signal operation at 25 existing intersections that currently operate as fixed-time signals	\$660,000.00	\$120,000.00	\$120,000.00
City of Urbandale	142nd St	Reconstruct the existing roundabout using modern design guidelines and increase the deflection angle for entering traffic	\$502,000.00	\$500,000.00	\$500,000.00
City of Ames	S Duff Ave	new intersection with signal and addition of a raised concrete median along S Duff from 5th St to the new signal location	\$450,000.00	\$450,000.00	\$450,000.00
Webster County	P59	Add superlevation to the horizontal curve and add 2' paved shoulders through the curve and tangents coming in an out of curve on P59 approximately 2 miles north of the City of Fort Dodge	\$191,380.00	\$191,380.00	\$191,380.00
City of Cedar Falls	University Ave.	Installation of a roundabout, reduce corridor from 6- to 4-lanes, reduce lane width from 12' to 11', reduction of speed thru intersection, addition of pedestrian facilities	\$2,100,000.00	\$500,000.00	\$500,000.00
City of Waterloo	5th and 6th Streets	Install one signal head over each lane, install vertical and horizontal signs enforcing lane assignment, etc.	\$484,000.00	\$484,000.00	\$484,000.00
Crawford County	M36 (Donna Reed Rd)	Intersection with US 30 on the north end south and east to the intersection with E53	\$1,734,740.00	\$500,000.00	\$500,000.00
Plymouth County	C-60	C-60 reconstruction from C-66 west 3.25 miles	\$1,740,000.00	\$500,000.00	\$500,000.00
Montgomery County	H34	H34 East Pavement Widening	\$695,644.00	\$500,000.00	\$500,000.00
Washington County	W61 - Riverside Rd	24' PCC overlay with 2' paved shoulders and 8" rumble strips	\$2,039,027.00	\$500,000.00	\$500,000.00
City of DeWitt	11th St/Maynard Way	Install a spit-phased traffic signal, convert 11th St from 4-lane to 3-lane cross section, install 'Do Not Block Intersection' signs, and remove obstructions in SW quadrant	\$445,700.00	\$300,000.00	\$300,000.00

<b>Site Specific – Fully Funded (Continued)</b>					
City of Clinton	13th Ave. N	Conversion of four lane to three lane	\$200,000.00	\$200,000.00	\$200,000.00
City of Dubuque	Northwest Arterial	Add right turn only lane on east leg of Pennsylvania Ave with traffic signal adjustments	\$415,000.00	\$364,000.00	\$364,000.00
City of Cedar Rapids	Kirkwood Blvd	construct a single lane roundabout	\$636,780.00	\$500,000.00	\$500,000.00
Iowa DOT District 6	US 61	Increase existing left turn lane for SB US 61 to SB Coonhunter's Rd, add a right turn lane for NB US 61 to SB Coonhunter's Rd	\$170,000.00	\$170,000.00	\$170,000.00
Subtotal			\$18,167,871.00	\$7,399,380.00	\$7,399,380.00

<b>Site Specific – Partially Funded</b>					
Applicant	Location	Improvement	Project	Request	Recommend
Clay County & City of Spencer	B-24	Pave shoulders 6 feet wide on both sides of road and added CL and EL rumble strips.	\$620,000.00	\$500,000.00	\$400,000.00
Iowa DOT District 6	US 151/IA 13/US 30	Remove guardrail and HMA paved shoulder and replace with a 10' wide by 10" thick PCC paved shoulder and a BA-102 PCC barrier	\$450,000.00	\$450,000.00	\$100,000.00
Subtotal			\$1,070,000.00	\$950,000.00	\$500,000.00

<b>Site Specific – NOT Funded</b>					
Applicant	Location	Improvement	Project	Request	Recommend
Cherokee County	480th St.	Pave gravel section of road to add 10' shoulders (partially paved) and turn lanes	\$2,190,000.00	\$750,000.00	\$0.00
City of Ottumwa	S Marion St	construct a mini roundabout for a traffic calming measure	\$223,700.00	\$223,700.00	\$0.00
Buchanan County	Otterville Blacktop	construct shoulders and flatten slopes on 5.25 miles of road - work only includes grading with a future project to include PCC overlay with paved shoulders	\$1,160,000.00	\$500,000.00	\$0.00
RPA 8	US 52	US 52 from Dubuque/Jackson Co line to the northern city limits of Bellevue - 9.14 miles of paved shoulders	\$1,800,000.00	\$500,000.00	\$0.00
Iowa DOT District 6	US 61	Partially pave the inside and outside shoulders 4' in both directions, include inside and outside rumble strips in the 65 mph and 55 mph areas	\$1,500,000.00	\$500,000.00	\$0.00
Subtotal			\$6,873,700.00	\$2,473,700.00	\$0.00
Total			\$26,111,571.00	\$10,823,080.00	\$7,899,380.00

<b>Traffic Control Devices– Fully Funded</b>					
<b>Applicant</b>	<b>Location</b>	<b>Improvement</b>	<b>Project</b>	<b>Request</b>	<b>Recommend</b>
Iowa DOT	Statewide	Overhead Red-Yellow Flashing Beacon Replacement Program	\$100,000	\$100,000	\$100,000
Iowa DOT	Statewide	Traffic Sign Replacement Program	\$375,000	\$375,000	\$375,000
Iowa DOT	Statewide	Pedestrian Warning System	\$75,000	\$75,000	\$75,000
Ringgold County	Various	Stop ahead sign replacements across the county	\$17,500	\$9,975	\$9,975
Subtotal			\$567,500	\$559,975	\$559,975

<b>Traffic Control Devices – Partially Funded</b>					
<b>Applicant</b>	<b>Location</b>	<b>Improvement</b>	<b>Project</b>	<b>Request</b>	<b>Recommend</b>
Iowa DOT	Statewide	Signing & Painting of Slip-Roadway Connections & Wrong Way Arrows at Folded Diamond Interchanges	\$350,000	\$165,000	\$115,000
City of Urbandale	Various	Pedestrian signal countdown displays- 94 pedestrian signal countdown displays at 15 existing signalized intersections	\$89,300	\$61,100	\$50,700
City of West Des Moines	Various	Radar technology traffic signal detector units - 7 existing signalized intersections	\$161,000	\$161,000	\$69,000
City of Council Bluffs	Various	Purchase battery back-up systems - 9 signalized intersections	\$49,453	\$44,305	\$30,000
Subtotal			\$649,753	\$431,405	\$264,700

<b>Traffic Control Devices – Not Funded</b>					
<b>Applicant</b>	<b>Location</b>	<b>Improvement</b>	<b>Project</b>	<b>Request</b>	<b>Recommend</b>
City of Garnavillo	Hwy 52/VanBuren St/Centre St	Traffic speed control devices	\$11,915	\$11,200	\$0
Pottawattamie County	Various	County to city transition zone improvements	\$94,635	\$94,635	\$0
Green Valley State Park	Green Valley State Park	Install a radar speed sign to help slow traffic to posted speed of 15 mph	\$2,600	\$2,600	\$0
Subtotal			\$109,150	\$108,435	\$0
Total			\$1,326,403	\$1,099,815	\$824,675

### Traffic Safety Studies – Fully Funded

<b>Applicant</b>	<b>Description</b>	<b>Project</b>	<b>Request</b>	<b>Recommend</b>
Iowa DOT	Work Zone Safety Training	\$100,000	\$25,000	\$25,000
Iowa DOT	Safety Vests for Emergency Personnel	\$25,000	\$25,000	\$25,000
